

What is the ELIIT project?

ELIIT supports **European cooperation** to promote the use of technology-ready solutions to improve productivity, value chain integration, resource efficiency and to **create new high added-value products and services** in the TCLF sector.

ELIIT will support TCLF SMEs in implementing the excellent research results achieved in many technological areas by **providers and owners of novel innovative and disruptive technologies** such as Key Enabling Technologies (KETs), digital technologies, artificial intelligence, Internet of Things (IoT), etc.

The second call for expression of interest to form ELIIT partnerships will be opened on 25th January 2021 and will close on 14th April 2021 17:00 CET.
