# HISTORY

It all started in late 2012, when the Nordic-Business Council Philippines was founded to bring together the Nordic-Philippine business community in the Philippines, and facilitate trade and investment between the two regions.

By January 2013, there were 18 Founding Members NBCP grew its membership base every year.

In September 2016, and with more than 100 members, the Nordic-Business Council Philippines transforms into the Nordic Chamber of Commerce of the Philippines (NordCham Philippines).

# Focus Areas - Key Themes

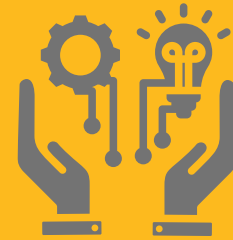

## Sustainability

We are committed to promoting responsible business practices that safeguard the environment and create a more sustainable future for the Philippines. We advocate for the use of clean technologies, the efficient management of resources, and the adoption of circular economy principles.

## Nordic Way

We draw inspiration from the core values of the Nordic countries – transparency, equality, and good governance – to foster a more ethical and responsible business environment in the Philippines. We believe in building trust through open communication, promoting diversity and inclusion in the workplace, and contributing to the development of strong communities.

## Innovation

We are driven by a spirit of innovation that seeks to solve challenges and create new opportunities. We support the development of cutting-edge technologies, the exploration of new business models, and the fostering of a culture of creativity and entrepreneurship. We believe that innovation is key to driving sustainable and inclusive growth in the Philippines.
